The Honorable Rosa DeLauro
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Corning Veterans Memorial Hall Rehabilitation project in the Fiscal Year 2023 Transportation, and Housing and Urban Development appropriations bill.

The project sponsor for this project is the County of Tehama located at 727 Oak Street, Red Bluff, CA, 96080. The project itself will take place at the Corning Veterans Memorial Hall at 1620 Solano Street, Corning, CA 96021.

This project is a valuable use of taxpayer funds as the existing Corning Veterans Memorial Hall has served the public of Corning since 1931, with no comparable meeting and event facility in the area. Commitment of funds to keep this facility open will ensure that our local veterans continue to have a meeting place, as well as giving the general public access to this important community facility. This building is regularly used by many parts of the local community, including underserved groups in providing community services.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Doug LaMalfa
Member of Congress
